Welcome to Perry Ave

*Enjoy the supreme comfort of a Contemporary
full of custom amenities.*

The sweeping circular drive is bordered by the same exquisite Blue Spruce Mountain stone that so beautifully faces the porch.

As you enter the foyer, through a spectacular custom front door, and hand-painted custom finishes, it is clear this Contemporary is far from your typical home. Interesting details provide a comfortable ambiance that inspires you to take a closer look.

Enjoy a formal meal in the gracious dining room or dine alfresco on a custom designed stone patio.

Gracious rooms abound with fine materials and inspired decorative details including the custom bowl sink in the powder room.

The full bath on this level has a transparent glass border set into white Carrera marble, with an ingenious design that is not visible until darkness falls. A phosphorescent additive in the surrounding grout glows creating a spectacular display and natural night light.

Skylights and a wall of windows bring the outdoors pouring in, creating a bright and sunny kitchen.

Solid cherry cabinets, polished granite countertops and a copper metallic painted finish make this kitchen sparkle under the sun. Sliding doors open onto a patio and expansive backyard. The circular stair rises into the vaulted space leading you to the upper level.

A gas fireplace, operated by remote, sets a romantic mood at the flip of a switch.

A custom designed walk-in closet has ample room for two. White Carrera and Rouge marbles surround the master bath in an elegant finish including the custom vanity with two-levels. Indulge in this frameless glass door shower equipped with fixed and hand-held sprays as well as body jets for that relaxing massage.

Upstairs, a canopy of skylights create an ideal location for a spacious home office.

Located in the heart of the home, this is surely the perfect spot to enjoy the home both inside and out.

The bonus room, with two built-in computer desks, a wide screen TV cabinet and room for a regulation pool table, provides everyone with plenty of space to play their favorite game.
