Welcome to Woods Grove

One story living in the heart of Westport!

Professionally landscaped in 2008, the home is surrounded by a lush, natural splendor that belies its central location. The many advantages of Woods Grove's one-story plan include not only that it is completely accessible but also that it allows direct outlet to this bucolic setting from every room.

Skylights invite sun and starlight to paint the great room ceiling.

Efficiently designed, the kitchen features a center island with counter seating, white appliances and ample storage. Sunny, spacious and open, the adjoining vaulted family room expands beyond this welcoming great room to a deck at the center of an outdoor living space in the fully enclosed private back yard. Find neighborhood access to the river off a path at the end of the cul-de-sac, ideal for kayak and boating enthusiasts.

Enjoy the lulling sound of crickets from the screened in porch before retiring

Both bathrooms have been beautifully updated with custom tiles and contemporary fixtures and fittings. Spacious and sunny bedrooms enjoy walk-in and his-and-her closets and also offer direct access to the garden and this wonderful screened in porch!
